Friends of the Library at Queens

Established in 1971, Friends of the Library at Queens University of Charlotte was formed by a group of men and women in the Charlotte area who loved books and wished to broaden the usefulness and influence of Everett Library to provide a cultural contribution to the life of Charlotte.

Today, Friends of the Library members benefit from events throughout the year that include book and coffee gatherings, a fall author event, the popular book and author dinner and lunch in the winter and the annual meeting in the spring. These events showcase writers, reviewers and appraisers to enlighten, enrich and entertain our members and their guests about books. In addition, members have the privilege of using Everett Library and its collection. A newsletter keeps members abreast about books, speakers and events sponsored by Everett Library throughout the year.
