Pamela S. Lewis On October 11, 2002, Queens University of Charlotte inaugurated Pamela S. Lewis as its 20th president, succeeding Dr. Billy O. Wireman, who retired on June 30, 2002.

An Open Letter "A couple of years ago, over breakfast in New York, Billy Wireman told me about the many exciting things that were happening at Queens College and suggested that I write a book about Queens. The result is *The Awakening*, due out this fall."

News Briefs *U.S. News & World Report* ranked Queens No. 10 in the nation and No. 1 in the South for its internship program in a new ranking that recognizes schools with "outstanding examples of academic programs that lead to student success."

Alumni Desk/Class Notes As part of Reunion Weekend activities last April, the Class of 1971 dedicated a "teaching garden" to the memory of Betsy Lieblich Reed '71. The garden, adjacent to Morrison Hall, will be used by the biology department.

Honor Roll of Donors Let me begin by saying, "THANK YOU!" to all of you who have supported Queens. Without you, we would not be where we are today, and without you Queens will not be able to accomplish the aggressive and exciting goals we have before us.
