

ALBRIGHT MOVE-IN

1. Enter RADCLIFFE AVE driving east from QUEENS RD WEST (see gold arrow for reference). Please make sure you arrive to campus from this direction as it is important for traffic flow and to make the move in seamless.
2. Turn right into the clock tower loop (8 on the map) towards the unloading zone, in front of Albright Hall.
3. Once you park, volunteers will meet you to unload.
4. After unloading, turn right out of the clock tower loop onto RADCLIFFE AVE, then take a right at the light onto SELWYN AVE. Following the blue arrow, continue down Selwyn until you reach WELLESLEY AVE and take another right. Go past the Levine Center and follow the arrows into the North Parking Deck (C on the map).
5. Students in their own vehicle who registered their car to stay on campus should park in the Byrum Parking Deck (D on the map).
6. Residents and guests may leave their vehicle in the North Parking Deck until 9 a.m. the following day.
7. After parking, please return to Albright Residence Hall to complete check-in.
