

BELK AND HBO MOVE-IN

1. Belk/HBO drop off occurs on a residential street, so it is important that you follow all unloading instructions for traffic flow and to make the move seamless.
2. Enter RADCLIFFE AVE driving east from QUEENS RD WEST (see gold arrow for reference).
3. Volunteers and officers will be outside helping direct traffic.
4. You will park on the street behind Belk Residence Hall (11 on the map) to unload. If the move-in process becomes backed up, cars will be directed to the Myers Park Traditional School parking lot until a space is available.
5. Once you park, volunteers will meet you to unload.
6. After unloading, return to your car and drive straight on RADCLIFFE AVE following the blue arrow. Take a right onto SELWYN AVE, then another right onto WELLESLEY AVE. Follow the arrow past the Levine Center and to the North Parking Deck (C on the map).
7. Students in their own vehicle who registered their car to stay on campus should park in the Byrum Parking Deck (D on the map).
8. Residents and guests may leave their vehicle in the North Parking Deck until 9 a.m. the following day.
9. After parking, please return to Belk/HBO Residence Hall to complete check-in.
