Dear Queens Community,

As we approach the end of the semester, we wanted to take a moment to thank all of you for your commitment to one another in keeping our community safe this year. We were able to maintain our in-person experiences throughout the term because of your care for one another shown by masking up, getting vaccinated, and supporting each other throughout the pandemic. Thank you.

In preparation for a successful 2022, the Senior Leadership Team has moved to **require Covid-19 booster shots for all students, faculty, and staff by February 15th** or as soon as you are eligible for your booster (6 months after your second dose of Pfizer/Moderna or 2 months after J&J).

Many of you have already gotten your booster shots. Students, please send your updated vaccine cards to CovidVacStudents@queens.edu. Faculty and staff, please send your updated vaccine cards to VaccineDocsFacultyStaff@queens.edu.

Again, many thanks for your partnership in our collective health and well-being. You all truly embody our motto – not to be served but to serve.

Stay well,

Senior Leadership Team
